APPENDIX 13A

WELL TESTING DATA LOGGER FILES

(Within Appendix 13, Water System Preliminary Design Report, as prepared by CT Male, there is Appendix E entitled Well Field Hydrology Report as prepared by Alpha GeoScience. Within the Hydrology Report there are sub-appendices E and N that refer the reader to data on separate compact discs. These data are located here in Appendix 13A.)

K1	ET (sec)	Chan[1] Temperature Fahrenheit	Chan[2] Pressure Feet H2O	Drawdown	Water Level Elevation
