

The LA Group Landscape Architecture and Engineering, P.C. IDIQ/Term Contract Overview

The LA Group, Landscape Architecture and Engineering, P.C. is a multi-disciplinary firm that provides landscape architecture, environmental analysis, land planning, and civil engineering services for public space planning, colleges and institutions, government projects, parks and recreational facilities, and private initiatives. Founded in 1974, The LA Group's specialized areas of expertise includes the planning and design of national and state public spaces including veteran cemeteries, parks and recreation facilities, historic sites, waterfronts, and trails.
