PAST PERFORMANCE

As a testament to the skill and dedication of Government Studio staff, The LA Group has consistently achieved 'very good' and 'exceptional' performance review ratings from the various government agencies.

"The professionalism and creativity demonstrated on the performance of their contract has exceeded all expectations... This firm has a profound understanding of the design and function of a National Cemetery." - David Martino, VA

"...this firm has exhibited exceptional performance for delivery, completion, timing and content. They are one of my highest performers in this program area for landscape architecture, recreation design, architecture and engineering services." - Melissa Conn, USFS

"Their work on this project was excellent. The care and dedication to the overall success of the project was paramount, and without that, the project could not have been successful." - Jason Huat, NPS

"From start to finish, this contract was well-managed, communications with our project team were excellent, and customer satisfaction was prioritized. The contractor exceeded our expectations in all areas, and we are extremely pleased with the quality of the final product." - Sharon Ware, USFWS
